Weatherford and Partners Raise \$300,000 in Support of Small Steps Nurturing Center

HOUSTON, November 9, 2016 – Weatherford International plc (NYSE: WFT) and partners presented a donation of \$300,000 to Small Steps Nurturing Center at the annual *Weatherford Walks* charity event held at Sam Houston Race Park on November 5. The donation will help Small Steps, a Houston-based organization dedicated to the social, emotional, physical, intellectual and spiritual growth of economically at-risk children and their families, provide high-quality education to children ages two through six living in the First, Second, and Fifth Wards.

More than 1,200 participants registered to walk the mile-long race track in support of this local organization. Many participants also made monetary donations, which were matched one-for-one by Weatherford. The walk was followed by a donation ceremony and family day with music, games and lunch at the race park Pavilion.

The first *Weatherford Walks* event was held in 2014 and benefitted the Houston Area Women's Center. It was followed by a 2015 donation to Camp Hope, a Houston organization that provides peer support, mentoring services and housing for veterans and their families suffering from combat-related post-traumatic stress disorder.

"Weatherford is committed to making a positive impact on the communities in which we live and work," said Karen David-Green, Vice President – Investor Relations, Corporate Marketing and Communications. "By bringing together our Houston-area employees in support of this worthy cause, we are helping to ensure a brighter future for local children and families."
